## More Certifications Techmetals Offers to Further Ensure Quality

**ISO 13485:2016 · ISO 9001:2015**  
**ATF-FFL 7 & 10 · FAA Repair Station**

## Techmetals, Inc.

For over 50 years, our customers have relied upon Techmetals for unmatched metal plating, reliability and customer service. We take great pride in our ability to work closely with our customers, offering a personal and efficient solution for over **86 finishing processes** and **engineered performance coatings** — helping to set us apart for our competitors.

We support a variety of industries such as **Aerospace, Automotive, Medical, Military, Power Generation, Agriculture** and more with certified solutions backed by Nadcap CP & CT, ISO 13485:2016, ISO 9001:2015, ITAR, FAA Repair Station and medically validated coatings and processes to name a few.

**Large-part Capabilities** and **Automated Lines** help maximize our services to you with regards to quality, turnaround and customer service. With a campus just under **400,000 sq. ft.** and up to **20-ton capacities**, no job is too large or too small. Techmetals truly is a one-stop-shop for a variety of finishing solutions. Just a few of our services include:

- |                      |                        |                       |                        |                    |
|----------------------|------------------------|-----------------------|------------------------|--------------------|
| ■ Anodized Aluminum  | ■ Copper Plating       | ■ Laser Etching       | ■ Nickel, Electrolytic | ■ Silver & Gold    |
| ■ Anodized Titanium  | ■ Diamonize            | ■ Mag Particle NDT    | ■ Nickel, PTFE         | ■ Thermal Spray    |
| ■ Brush Plating      | ■ Dry Film Lube (DFL)  | ■ Materials Lab       | ■ OPTAKOAT®            | ■ Tin Plating      |
| ■ Cadmium Plating    | ■ Electropolish        | ■ Masking Dept.       | ■ Optical Coatings     | ■ Walk-in Blasting |
| ■ Chemfilm           | ■ Grinding, ID & OD    | ■ Nickel Boron        | ■ Passivation          | ■ Zinc Plating     |
| ■ Chrome, Industrial | ■ Grinding, Centerless | ■ Nickel, Electroless | ■ PVD (DLC, TiN, etc.) | ■ Zinc Nickel      |
